**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

In a February 21, 2007 Office Action, the Examiner required restriction to one of the following groups:

- I. Claims 1-14, drawn to a phase shift carrier signal, classified in class 375, subclass 308; and
- II. Claims 15-17, drawn to a processor or system, classified in class 375, subclass 259.

Applicants hereby elect with traverse Group I, 1-14, drawn to a phase shift carrier signal, classified in class 375, subclass 308 for prosecution in this application.

Applicants submit that a search of the system of Group I would uncover the processor or system of Group II. Applicants respectfully request the right to file a divisional application directed to the unelected claims.

A prompt action on the merits is earnestly solicited. The Examiner is invited to telephone the undersigned should he believe this would expedite prosecution of this application. It is believed no fee is required. The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 13-2165.

Respectfully submitted,

Dated: March 14, 2007
